

Big Picture / Key Question:

How effective were the 5 Year Plans?

Aims/objectives (based on skills):

- Drawing conclusions
- Communication
- Source Analysis

Dereham Neatherd High School – Accelerated Learning Lesson Map

Day Date Period Year Group
 Set of Number in group 30 Male Female
 Number of pupils with statements /school identified special need
 Support teacher/assistant? Y / N

CONNECTION PHASE: the hook; what do you already know?; big picture

Starter: Slide 1 of PPT. Poster 'Peasants can live like a Human Being' . Discussion about collectivisation and need for industrialisation (guided if needed).

Introduction: Slide 3 of PPT – Map of industrial centres in Russia 1930s. Inform them that they are key advisors to the Politburo and in charge of the industrialisation programme in their region. They have to report back about their progress personally to Stalin each quarter. It is that time of year again and they have some problems.

Establish prior knowledge + Big Picture + Skills + Outcomes (Introduce + Demonstrate using VAK: Visual Audio Kinesthetic)

CONSOLIDATION PHASE: reflect on the learning; link to the big picture/key question; transfer of skills

Plenary:

Slide 10 – end : Statistical data (problems with statistics). Discuss what problems with statistical data particularly Soviet ones in the 1930s-40s

Plenary: What has been learned? + How? + What next?

Pupil Outcomes

A few pupils will

Most pupils will

Everyone will

DEMONSTRATION PHASE: show you know; feedback

Stage 4- discussion/ recording of pupils findings. Slides 7-8: If time allows (and technology!), record groups explanations to Stalin with voice recorder. Alternatively, get them to read out their speeches facing Stalin (video clip)
 Play a selection of recordings or have a number of pairs read out their speeches while the rest of the class assesses the explanations. Discuss ratings briefly and problems faced by both workers and managers.

(Groups/whole class/representatives)? One small group? Individual?
 Assessment for learning using criteria

ACTIVATION PHASE:

give information, use information, share information

Task(s)

Stage 1

Explain that they are to compile a case file on the Factory Manager and The Workers of their area - these will help in solving the problems. (15 minutes)

Stage 2: The Warning

Slide 4-5 of PPT
 Pairs continue working (10 minutes)

Stage 3- The Stalin visit

Slide 6 of PPT
 Explain that Stalin himself is visiting the factory. Hopefully he is in a good mood... (10 minutes)

After 10 minutes the slideshow moves forward to reveal that Stalin's Coming!
